

REMARKS

In the Office Action of April 29, 2004, Examiner Azpuru indicated all claims to be allowable. However, the specification was objected to because generic terminology was required for three trademarked products. The above amendment is fully responsive and should overcome the objection. Therefore, it is urged that a Notice of Allowance should be provided.

Thank you.

Respectfully submitted,

Dated: June 18, 2004
